OVERVIEW

FASHION GLOBE Group is a Sole proprietorship company in Bangladesh. The founder is **MD. NAZMUL KABIR**, is one of the most experienced and professional garments personal in Bangladesh. He started this in the Year 2007 with 3 persons working with him. Now in his companies he has altogether about 7,000 Employees including him. We can confidently say that **FASHION GLOBE Group** is a name of Special Denim Collection Creator in Bangladesh. Our experienced team is working with the MOTO to be the Best Fashion Denim Producer in Bangladesh.

We have our own marketing and development office In Madrid, Spain. We make our new collection in Europe and Bangladesh. We use high quality chemicals and

dyestuffs in our laundry. All the chemicals and dyestuffs we import by our self. We don't buy local chemicals. We have our own Laser technology, OZONE Technology and some special machine to do the random washes with less water and less variations. With some of valued customers, we even keep Fabric Stock to make production lead-time shorter. If you really want high quality fashion jeans, then Fashion Globe will be one of the best option for you in Bangladesh.

MERCHANDISING

We have a well-equipped Merchandising Team with a total on 40 People in dividing 5 groups. Each Group has a Merchandising GM and 2 experienced Senior Merchandisers and 3 Assistants. Each group has their own Buyers & everyone follow our own ERP software for their daily works. Each team has separate sample development section with capacity of 60 samples day for each Group. All the managers are frequently flying to the customers when necessary. The Managing Director is following personally their work and he also attends the Buyers Meeting abroad.

PRESENTATION & SHOWROOM
